

Interim 1975

'The good things...'

Friendly cheer and a roaring fire warmed two icy Interim evenings as Dayton Hall Housing staff sponsored toasty get-togethers with Macalester faculty members. Above, students Renee Beloy, Pamilla Brown and Anne Derse tend Faculty Dean Truman Schwartz's daughter Katie while her father shows slides of his life.

"Psychology of Humor" Interim class members demonstrate in song what many already knew; "How to Waste an Evening."

January 31, 1975

Tons of ice and snow dumped on St. Paul during January weighed heavily on more than just this poor tree. Oh those long, windy weekends. . . .
