II. Work for this semester

There are six more meetings until spring break, which begins on March 12. SLC will set an internal deadline to complete the revisions by then, and will send the revised document to the campus community for feedback. SLC will consider additional feedback, and then bring the document before the faculty. This should occur by the end of this academic year, ideally in April.

III. Review feedback and suggestions for the initial draft

SLC discussed revisions to the introductory paragraphs and goal description for Goal E: Take Responsibility for Intellectual, Personal and Social Choices. Both Libby and Cheryl provided draft revisions for the Committee to consider. Discussion highlights are included here, but for specific edits, see the revised draft.

- The goal's title was revised to better connect with the description and outcomes, while staying true to the Statement of Purpose and Belief. The new title is: Make Informed Choices and Accept Responsibility
- For other revisions, please see the revised draft.

Action Item: Kendrick will revise the draft and circulate to SLC before our next meeting. Track changes will be used to identify points for further discussion. At the next meeting, attention will turn to the stem and outcomes for this goal before moving on to Goal F.
