

MACALESTER COLLEGE

Senior Week 2009 Committee

March 2009

Dear Parents and Families of the Class of 2009:

The Senior Week Committee cordially invites you to join the Class of 2009 in celebrating their graduation. Senior Week, which runs the week leading up to graduation day, provides an opportunity for graduating seniors to enjoy a variety of activities with their friends and classmates.

The Senior Week committee sponsors several events including two traditions, a Mississippi River cruise for graduates and the Senior Class Party for graduates, their families and friends. The party will be held on Saturday, May 16, 2009 from 8:00 p.m. until midnight in the Ruth Stricker Dayton Campus Center, located on the campus of Macalester College.

We invite you to make a reservation for the Senior Class Party with your reservations for other commencement activities. Graduates are free! Reservations are \$12 per person. Tickets will also be available at the door. We encourage you to discuss the Senior Class Party with your grad to avoid duplicate reservations (this happens frequently and can create much confusion!).

We also invite you to purchase your student's senior class photo. It is a large (10 x 14) glossy print of the 2009 class. The photos are \$16 per photo and again, please talk with your grad to avoid duplicate purchases.

We hope you will join the Class of 2009 for their Commencement and celebratory festivities. For questions regarding Commencement, please contact the Office of Student Affairs (651-696-6220). If you have questions regarding Senior Week events, please contact the Senior Week advisor, Laura Klunder, at 651-696-6311 or email her at klunder@macalester.edu. We look forward to seeing you in May!

Sincerely,

The Senior Week Committee
