## **The Question:**

### **I. Numbers:**

1. Russian Enrollments, 29 4 year rank, 27 10 year rank. (of 30) Lowest of the full departments in the college
2. Number of Graduates rank 31 10 yr, 31 4yr, of 39 possible.
3. Russian ranks next to lowest in Major per FTE with approximately 2.5 majors per FTE
4. average class size is near the very bottom.

By any measure the numeric case for Russian is not strong. Russian attracts few major and few students, yet consumes 3 FTE..
