

STUDENT EMPLOYMENT ADVISORY COMMITTEE

Notes from October 7, 2009, meeting

Present: Julie Lucking, Christy Heal, Jenae Schmidt, Deb Novotny, Mary Williams, Elvi Brynolfson (notes)

- Due to the untimely death of Jim Davidson last summer, the departure from Mac of Will Young and Zach Teicher, and the expiration of Betsy Salvatore's term, we are in need of a new chair and several new members, plus two student members
 - Julie volunteered to serve as chair for 2009-10 – thank you, Julie!
 - Last spring SAC appointed Jeanne Arntzen from Theater and Dance to SEAC (replaces Betsy's position)
 - Will Young announced last spring that the person hired for his position would also serve on SEAC. She is Jamie Dresher.
 - Karla Benson from SAC is seeking new members for us from Facilities Services and the Leonard Center.
 - Elvi and Julie will see if a student from their departments would be interested
- Christy volunteered to update the SEAC website and to post meeting minutes on it
- Christy will ask Abraham Noel for an updated list of departments and supervisors who have student employees. After we have our new members, we will figure out how to divide up the constituents' list.
- We agreed to have the SEOTY celebration at the Leonard Center again, and will reserve the space once we know the date
- Everyone should think of ideas for this year's celebrations and anything else we want to do this year
- We will meet on the first Wednesday of each month at 1:30.
