-------------	----------------	--------------

_____	_____	_____
_____	_____	_____
_____	_____	_____

**Reflective Candidate Essay:** Grade point averages and recommendations provide only a partial sense of your promise as a teacher candidate. For this reason, you are asked to submit an original essay (300-500 words) describing your interest, preparation and potential as a future teacher. Your essay should be carefully prepared as it represents a major component of the application pieces. **Please attach your essay to this application form.**
