

## 2009-2010 Outside Scholarship/Award Notification Form

As part of the process of finalizing your eligibility for financial aid, we must gather information about types of financial aid that come from sources other than Macalester College. Please complete this form and return it to the address above at your earliest convenience.

The term "Outside Scholarship/Award" applies to funds awarded to you and administered by an organization other than Macalester College. Outside scholarships and awards include:

- Scholarships awarded by your high school, religious, civic, or other organization;
- Tuition benefits received from your parent's employer;
- State and federally funded scholarships & grants (other than Federal Pell Grants and Minnesota State Grants) that will be available for your use at Macalester.

If you will not be receiving outside scholarships/awards, please check the appropriate box and return this form to our office.

If you have applied for outside scholarships/awards, but have not learned that you have been selected as a recipient, please do not list them on this form. List only scholarships and awards you know you will receive. If you learn that you will receive an outside scholarship/award at a later date, please notify us in writing or by e-mail. Include the name of the scholarship/award, the dollar amount, and whether the scholarship/award is renewable for subsequent years.

If you have previously notified our office of the receipt of an outside scholarship/award, please do include it on this form. This form should list all outside scholarships/awards that you are currently aware of.

Your financial aid package will be revised to include your outside scholarships/awards according to Macalester's Outside Scholarship Policy. You will receive a new award letter soon after this form reaches our office.

**Macalester's policy on the treatment of outside scholarships and awards:**

- Scholarships that are based totally or in part on merit or talent:
  - The first \$500 of the outside scholarships will replace student loans or student employment.
  - Amounts exceeding \$500 will replace student loans/employment and Macalester grants equally.
  - Any amount exceeding the original student loan/employment award will replace Macalester College grants.
- Need-based grants, entitlements, and benefits from federal, state, or other sources (including tuition benefits from student/parent employers) will replace Macalester College grants and/or scholarships dollar for dollar (e.g., a \$1000 state grant will replace \$1000 of Macalester Grant).
- Financial aid from federal, state, and other sources will be adjusted in response to receipt of outside scholarships and awards in accordance to eligibility rules established by the Department of Education or other program administering body. For instance, scholarships from outside sources may affect the availability of subsidy for Federal Stafford Loan purposes.
