

# 2004 Minnesota State Geographers' Fair

*Hosted by the*

**Science Museum of Minnesota**

*Sponsored by the*

**Minnesota Alliance for Geographic  
Education**

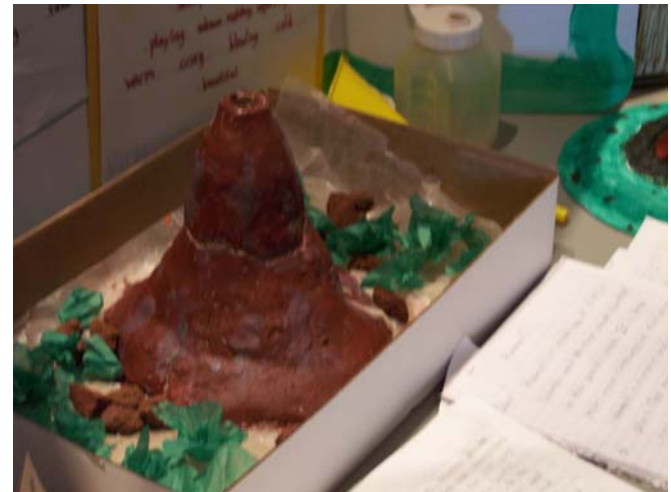

After teachers registered their students the fun began with buttonmaking, the Scavengerhunt, and GeoBingo!

There were a variety of projects from computer projects and videos to three-dimensional models.

Volunteers from MAGE and Macalester College Geography Department had enjoyed their time at the Fair!
