Macalester ID# _____

Class at times of residence (circle one): sophomore junior senior

I wish to apply for residence in the German House during:

_____ the academic year of _____
_____ the fall semester of _____ _____ the spring semester of _____

Please list (on reverse side) language courses taken in college.

Which German Studies courses(s) will you take during your time of residence?
(Concurrent enrollment in a German Studies course is required)

___ I am planning to participate/have participated in the German Studies Abroad program
in spring ___ (year).

My major or prospective major is _____

Please state in no more than one (attached) page your reasons for wanting to live in the
German House, what you expect to gain from this experience, what you might contribute.

It is my understanding that the charge for a room in the German House will be \$200 more
for the year (\$100 per semester) than the regular dormitory charge, but that the option of
preparing meals in the house is available at no extra charge. I further understand that if
accepted in the German House for Fall Semester I may not participate in the regular room
draw held during the preceding Spring Semester.

I agree to make a conscientious effort to speak German and to participate in my share of
house upkeep and activities. I understand that if I fail to do so, my residence may be
terminated at the discretion of the German Studies and Russian Department. I understand
further that such termination in no way affects my room/board agreement with the
College.
