

COOL INTERNSHIP OF THE WEEK

The 2010 DIA Summer Intern Program

Department of Defense

DIA's Summer Intern Program provides promising undergraduate seniors and graduate students the opportunity to gain practical work experience during the summer. While specific intern opportunities vary from year to year based on the Agency's needs, internships are usually available in the following functional areas: Foreign Area Studies, Computer Science, Legal, Information Assurance, Business Administration, Human Resources, International Relations, Public Administration, Political Science, Chemistry, Physics, Biology, Microbiology, Pharmacology, Toxicology, Engineering, or Intelligence Analysis.

In your position in the DIA Summer Intern Program you will:

- Gain research experience in your interest area.
- Gain extensive knowledge about the production and management of foreign military intelligence.

Requirements:

- You must be a United States citizen.
- You must be currently enrolled in a regionally accredited U.S. college or university.
- You must have a minimum GPA of 3.0 on a 4.0 scale.
- You must be granted a security clearance and successfully pass a Counterintelligence Scope polygraph examination and drug test.

Salary: Varies

Location: Washington, D.C.

Application Timeline: Open period is from July 21, 2009 to November 15, 2009.
