

## **IDEA Course Evaluations: Department Codes on the Faculty Information Form**

10/27/09 – Institutional Research

There is a Department Code box with a space for 4 numbers on the front of your Faculty Information Form. This code is used by IDEA to select comparison information for your final reports. The short list on the back of your Faculty Information Form may not be as specific as you need, so below are codes recommended for your use. You may also see the entire list of codes available on the IDEA website at <http://www.theideacenter.org/sites/default/files/DisciplineCodes.pdf>.
