

Electronic Capture of Math/CS Capstone Talks

Name: _____

Project title: _____

Macalester College may make an electronic copy of your presentation available in several ways. (i) The College may make your talk available as an example to senior capstone students in future years. (ii) The College may make your talk available on its web site or on other web servers at the College. (iii) The College may make your talk available through an institutional repository.

Please sign below:

I agree to have my capstone talk captured electronically and I grant permission, in perpetuity, for the Macalester College to use my talk as described above.

Signed: _____

Date: _____
