

Minnesota State High School Mathematics League

Identifying former Student Awards Winners

Name _____ School _____

Current email address _____

During which years (i.e. 1990-94) did you participated in League activities? What grade were you in when you first joined a math team?

Do you have a favorite memory from your experience in the league or ARML?

Types of Recognition

- Division Individual Award
- League Season Award
- Tournament Award
- ARML Team

Year/Years

Activities We are interested in knowing what you have done since graduating from high school – further schooling, jobs, etc.

Evaluating Math League Do you think the league experience was helpful in preparing you for whatever came next? Was their a specific event that really made a difference?

Is there anything you want to say about your coach or fellow team mates that might be chosen to appear in the book that Wayne Roberts is writing (anonymously, of course)?

Any further comments?
