

Recommended Disinfecting Products

For your convenience, I have listed two disinfecting products you might consider purchasing for your department. I am posting this in response to the notification from Macalester's Health & Wellness Center on national flu outbreak awareness. Departments may purchase these products from Staples by logging into eway.com. Macalester College has negotiated pricing for these two products. Please contact Kathy Johnson at johnsonkl@macalester.edu with any questions.

Macalester Monitoring Flu Outbreak

Visit the Centers for Disease Control and Prevention website for the latest health advisories about H1N1 influenza. <http://www.cdc.gov/H1N1flu/institutions/guidance/technical.htm>

You may also visit Macalester's Health & Wellness Center web site for information on campus. <http://www.macalester.edu/health/>
