Lost keys are replaced for a fee of \$25.00. You remain responsible for your key, even if you leave it in your cabinet. You remain responsible for your equipment, even if you choose not to lock your lab cabinet. Replacement costs for the equipment listed above are available in the stockroom.

If you drop this lab class without checking out of your lab cabinet, or fail to check out properly at the end of the semester, your lab instructor or TA will check you out at a cost to you of \$10.00, plus the cost of any missing or unusable equipment.

Your signature attests to the following:

- All of the equipment listed above is present, clean, and in good working order at check in. You have the key stamped with the code indicated above.
- You are willing to pay for the replacement of any of the above listed equipment if it is not present, clean, and in proper working order at check out, whether or not you are directly responsible for breaking, dirtying, or misplacing it.
- You have read, understand, and agree to abide by the Chemistry Department Laboratory Regulations handed out to you in lab on a separate sheet of paper
