

**Environmental Chemistry**  
**Written Response 1**  
**Due Tuesday, September 15, 2009** (at the start of class)

Provide the following feedback (on this sheet) on Baird and Cann (**BC**) pp. 27-51  
and Spiro, Purvis-Roberts, and Stigliani (**SPS**) Chapter 4, pp. 1, 4-15

Strengths (what was clear, interesting, and/or intriguing?)

Weaknesses (what was unclear, boring, or missing?)

Additional Comments or Questions
