Japanese Language Village
Concordia Language Villages

Our program:

- ❖ One-, two- and four-week residential Japanese language and culture immersion programs for young people ages 7-18
- ❖ Located in Dent, Minnesota (about 4 hours north of the Twin Cities)
- ❖ Villagers come from all over the United States
- ❖ 300+ villagers
- ❖ 60 staff
- ❖ Staff are all talented language speakers with a variety of teaching experience
- ❖ Virtual format for summer 2020!

The mission of Concordia Language Villages is to inspire courageous global citizens.

A courageous global citizen lives responsibly by:

- appreciating and seeking to understand diverse cultural perspectives;
- communicating with confidence and cultural sensitivity in multiple languages;
- respecting human dignity and cultivating compassion;
- engaging critically and creatively with issues that transcend boundaries; and
- advancing a more just, peaceful, and sustainable world for all.

The CLVway, also known as the CLV道, of immersion brings our mission to life.

This is brought to life in our program through the following precepts:

- ❖ Grand simulation
- ❖ Community-based learning
- ❖ Lived language and culture
- ❖ Outdoor learning
