

SciTechsperience Internship Program - Paid STEM Internships

Position Information

Employer:

SciTechsperience Internship Program

Division:

N/A

Title:

SciTechsperience Internship Program - Paid STEM Internships

Description:

SciTechsperience is a paid internship program that connects college students in science, technology, engineering and math (STEM) disciplines with paid internship opportunities in small Minnesota companies. Companies are reimbursed for 50% of the wages paid to their intern, so there is a strong incentive to hire through the SciTechsperience program.

This year at least 275 students will be hired through the program.
