

WHY MACALESTER?

**Discover exceptional talent and potential
in Macalester students.**

Macalester College is a highly selective, richly diverse four-year liberal arts college. Based in the heart of the Twin Cities, our students are globally minded and actively engaged in community-based learning, civic engagement, and professional opportunities, making them well-rounded and socially conscious leaders. Across all academic disciplines, Mac students are curious, highly motivated, and committed to making a positive impact on the world.

	40 minors
	10 concentrations

CONNECT AND ENGAGE WITH MACALESTER STUDENTS

We make it easy to meet and recruit students! We organize all logistics and promotions. For questions or to express interest in any of the following, email recruiting@macalester.edu.

Post opportunities*

Post your jobs or internships on Handshake for Mac students and alumni. For extra visibility, ask us to feature them in our #WhatsNewWednesday Instagram series highlighting new opportunities each week!

Visit campus

Join our monthly employer tabling events—two hour sessions in high-traffic campus areas with 8–12 employers. It's a casual, effective way to meet students!

Host an information session (On-campus/Virtual)*

Start connecting with prospective student applicants by introducing your organization and available opportunities. Sessions usually run 30–45 minutes.

Offer a skills based workshop (On-campus)*

Sharing your industry and recruiting insights is a great way to connect with students early. Consider a session on topics like case or technical interviewing, resumes, or industry-specific job search tips. We are happy to collaborate with you on ideas!

Sponsor drop-in hours (On-campus)

Make a lasting impression by sponsoring our resume review drop-in hours, held Monday through Thursday from 4–6 p.m. Sponsors provide food and share valuable industry insights with students looking to enhance their application materials.

Attend a career fair*

Macalester takes part in two key events—the MN Private Colleges' Job & Internship Fair and the Government & Nonprofit Career Fair—great opportunities to connect with a wide range of talented students.

Host a Macalester intern

Internships are a key part of the Macalester experience. Host a student during the semester, J-term, or summer. Interested in a more formal partnership? Email us to start the conversation.

Host a site visit

Our MacExplore site visits offer students a chance to connect with employers and alumni while gaining insight into career paths, workplace culture, and different roles within an industry. We'd be happy to discuss hosting a visit to your organization.

Schedule an employer strategy meeting*

Request a meeting to share information about your organization, learn more about Macalester students, and explore the most effective way to engage with campus.

*** Great for new employer partners**
