**Job Summary**

Experience your America and build a fulfilling career by joining the National Park Service, as we prepare for a second century of stewardship and engagement. Become a part of our mission to connect with our past, and create important connections to the future, by building a rich and lasting legacy for the next generation of park visitors, supporters, and advocates. For more information visit us at: [http://www.findyourpark.com](http://www.findyourpark.com)

The National Park Service's (NPS) Internship Program provides students enrolled in the arts and related fields an opportunity to gain practical work and explore Federal careers while still in school. This program is a component of the National Park Service's Pathways Internship Program, which is designed to prepare you for a career as a museum curator, exhibits specialist, illustrator, general arts, visual information, and other related fields in the Federal service. You will assist Museum Curators at our facility in Harpers Ferry, West VA in the care of one of our valuable collections.

This opportunity may be extended beyond the summer employment period, based on organizational need, funding, and student availability. Students who successfully complete the internship program may also be eligible for conversion to a permanent or term appointment, of 1 to 4 years in duration, without further competition. Conversion to a permanent or term position is subject to funding and work availability, and is not implied or guaranteed.

**Duties**

As a Museum Aid (Intern) you will:

- Work with collections of objects which relate to the history of the NPS.
- Assist with the Collections at Harpers Ferry Center program by responding to researcher requests.
- Assist the curator with maintaining collection records in database management system (Interior Collection Management System.)
- Preserve the historical validity of the object through routine preventative preservation tasks, such as utilization of museum quality storage containers.

**Travel Required**

- Appointment subject to background investigation and favorable adjudication.
- Must be a U.S. citizen.
- Male applicants must meet Selective Service requirements.
- You will be required to execute a Pathways Intern agreement.
- You must continue to meet program requirements throughout employment.
- You must possess a valid driver's license.

Qualifications

ALL applicants must meet basic program, education, and experience requirements as indicated below, by the end of the spring 2016 semester, or at the start of the summer employment period, whichever comes first. Program Requirements: You must be accepted for enrollment and/or attending college or other technical certification program to be eligible for consideration as a Pathways Intern, enrolled as a degree-seeking student on a full or half-time basis, and be in good academic standing. Your program and institution must be accredited by the Department of Education. Foreign education is acceptable if it has been evaluated by an organization recognized by the Department of Education. For a list of accredited institutions, and/or for a list of organizations that can approve foreign education visit: http://go.usa.gov/29DP. You are required to submit proof that you meet all of the program requirements. See the "Required Documents" section of this announcement for more information.

Special Provisions for applicants with previous related experience. Applicants who do not meet the one full year of education requirement, may substitute one year of experience performing duties directly related to this position. You must also meet the enrollment requirements listed above to qualify under this provision. More information on qualification requirements may be obtain at https://www.opm.gov/policy-data-oversight/classification-qualifications/general-schedule-qualification-standards/

You must have completed one full academic year of post-high school study majoring in the following subjects or directly related fields: museum work, illustrative design, commercial art, fine arts, industrial design, intern design, drafting, or architecture.

One full academic year of undergraduate; graduate; vocational; trades; technical or high school education is the number of credit hours determined by the college, university or school to represent 1 year of full-time study. The high school curriculum must be approved by a State or local governing body. All education beyond high school must be accredited by an accrediting body or organization recognized by the U.S. Department of Education.

Program Requirements: You must be accepted for enrollment and/or attending college or other technical certification program to be eligible for consideration as a Pathways Intern. Your program and institution must be accredited by the Department of Education, and you must be enrolled on a full or half-time basis, as a degree seeking student, and be in good academic standing. You are required to provide proof of the same. Foreign education must be reviewed by an organization recognized by the U.S. Department of Education. For special instructions pertaining to foreign education, and a list of organizations that can evaluate foreign education, see the Department of Education website at: http://go.usa.gov/29DP.

How You Will Be Evaluated

Based on your responses to the Occupational Questionnaire, you will initially be placed into one of the following categories: Best-Qualified, Highly-Qualified, or Qualified. The HR Office and/or Subject Matter expert will then conduct a quality review of your application and supporting documentation to verify that your application package is complete, that you meet the Pathway Intern Program eligibility requirements, and to ensure that you have been placed into the appropriate quality category.

Your application package is rated based on the duration, level and quality of your experience, including paid and volunteer experience, education, job related training and your responses to the occupational assessment. In addition, you will be evaluated on the extent to which you meet the following knowledge, skills and abilities for this particular position:

- Ability to perform routine cleaning of museum objects and exhibit settings in museum facilities and historic houses.
- Skill and attention to detail in the careful handling of valuable and fragile objects.
- Ability to implement and follow general museum practices, and the prescribed safety rules and regulations associated with museum custodial work.
- Ability to follow written and verbal instructions.

If your resume is incomplete or does not support the responses you provided in your online questionnaire, or if you fail to submit all required documentation before the vacancy closes, you will be rated ‘ineligible’, ‘not qualified’, or your score may be adjusted accordingly.
