**Qualifications**

Internships may last from one to 12 months, with a minimum time commitment of 20 hours per week. Intern positions are typically project-oriented within a specific department. The program acquaints interns with various functions, programs, and departments of the museum. Students often arrange academic credit for their experience through their college or university. Internship availability is determined by staff need and by the number of challenging intern projects. Past interns have worked in many museum departments, including Curatorial, Learning & Innovation, External Affairs, and Advancement.

Interns may indicate particular areas of interest on the application form. Each department listed considers candidates for internships.
