

Are you a student with a hidden or visible disability seeking an internship or employment?

A WRP Recruiter will be interviewing students at Macalester this fall!

The WRP is a Dept. of Labor recruitment program for students and recent grads with disabilities and serves as a primary pipeline for bringing new talent into the federal government and major corporations. Apply by Oct. 16. Participating is an excellent way to:

- Find an internship or permanent position
- Explore careers in federal service
- Gain interviewing experience

A partnership of the Macalester Dean of Students office and the CDC. For more info, make an appointment with Kate Larson in the CDC or visit www.dol.gov/odep/wrp/students.htm
