# MACALESTER COLLEGE

In March 2025, Macalester College celebrated the 151st anniversary of its founding. The college received its charter from the State of Minnesota in 1874, and for the next several years its founders raised funds, hired faculty, planned courses, completed a classroom-office-residence building, and recruited students in preparation for Macalester's opening in September 1885 on Dakota land. The legacy of those founders—Presbyterian ministers and educators who strove for rigor and excellence—is a liberal arts college recognized for its academic excellence, its traditions of international and intercultural understanding, and its commitment to civic engagement.

To carry out its educational mission, Macalester has assembled a distinguished faculty of 198 full-time and fifty part-time teachers and scholars who represent a broad array of disciplines in the natural sciences, social sciences, humanities, and fine arts. Macalester's 2,138 full-time and thirty-two part-time students represent forty-nine states (and Washington, D.C.) in the United States and 108 other nations. Their academic achievements are numerous and impressive, as demonstrated by awards including thirteen Rhodes Scholarships since 1904, and, in the last ten years, seventy-five Fulbright Grants, twenty-seven National Science Foundation Fellowships, two Thomas J. Watson Fellowships, three Truman Scholarships, and one Udall Scholarship.

Macalester's international emphasis is reflected in the fact that about 60 percent of its students study abroad for a semester or more during their college careers. The four-year civic engagement participation rate for graduating seniors is consistently well over 94 percent with students contributing, at some point during their college careers, to a variety of organizations in the Twin Cities and beyond.

Close to 60 percent of Macalester graduates enroll in further study or complete an advanced degree within six years after graduation. Macalester alumni pursue careers in business, medicine, law, social service, government, the arts, religion, and many other fields. They make significant contributions to their professions, their communities, and the world. More than 30,000 alumni welcome into their ranks the Macalester College graduates of 2025—Macalester's 136th graduating class—and wish them success and fulfillment.

## “THE STAR-SPANGLED BANNER”

Recorded by the U.S. Army Band

*Oh, say can you see,  
By the dawn's early light,  
What so proudly we hailed  
At the twilight's last gleaming?  
Whose broad stripes and bright stars,  
Through the perilous fight,  
O'er the ramparts we watched,  
Were so gallantly streaming?  
And the rockets' red glare,  
The bombs bursting in air,  
Gave proof through the night  
That our flag was still there.  
Oh say, does that star-spangled banner yet wave  
O'er the land of the free  
And the home of the brave?*

them to create a more just and peaceful world, a world filled  
with fellowship and kinship, with respect and kindness for one  
another and with the hope of a better tomorrow.*

## “DEAR OLD MACALESTER”

Sung by graduating seniors of the Macalester Choirs

Lyrics and music on page four of program

*Dear old Macalester*

*Ever the same; To those whose hearts are  
thrilled by thy dear name;*

*Cherished by all thy sons,*

*Loved by all thy daughters,*

*Hail! hail to thee, our college dear*

## RECESSION

The Macalester College Pipe Band

Director of Piping Michael Breidenbach, Class of 1996

## COMMENCEMENT NOTES

The audience is requested to remain in place until the platform party has left the Commencement area. Friends and families are encouraged to remain for refreshments and to visit with graduates, faculty, and staff members on Shaw Field following the ceremony.

Candidates for degree do not cross the stage in alphabetical order. To view a seating chart, please visit [macalester.edu/commencement](http://macalester.edu/commencement).

Arrangements have been made to engage a professional photographer to take pictures of the degree recipients. In fairness to the candidates for degrees and other members of the audience, we thank you for keeping the area in front of the stage clear during the ceremony.

The professional photographer will mail proofs from which prints may be ordered to the graduate's home address. You may contact GradImages at [gradimages.com](http://gradimages.com) or 1-800-261-2576 to have proofs emailed.

The flags displayed on campus represent the countries and nations of students studying at Macalester College. The display of a flag is not meant as a political statement, but is intended to recognize and celebrate the diverse cultures within our midst.

Thank you to all of the graduating seniors, parents, families, faculty, and staff who supported the 2025 Senior Class Gift. Your gifts support today's students and future generations of Scots!

First aid is available at the south end of the field house.

Today's ceremony is interpreted in American Sign Language and live captioned in English on the in-room screens. Real-time transcription can also be accessed on your smartphone or personal device. Audio translation is available in Spanish and Mandarin Chinese through Zoom, which can be accessed on your device. Relevant links can be found at [macalester.edu/commencement](http://macalester.edu/commencement).

The first system of musical notation for the song. It consists of a treble and bass staff joined by a brace. The key signature has two flats (B-flat and E-flat), and the time signature is common time (C). The melody is written in the treble staff, and the accompaniment is in the bass staff. The lyrics are written below the treble staff.

thrilled by\_\_\_ thy dear name; Cher - ished by all thy sons,

The second system of musical notation. It continues the melody and accompaniment from the first system. The lyrics are written below the treble staff.

Loved by all thy daugh - ters, Hail! hail to thee,\_\_\_ our col - lege dear.

The third system of musical notation. It concludes the song with a final double bar line. The lyrics are written below the treble staff.

# CANDIDATES FOR DEGREE

## PHI BETA KAPPA

Election to Phi Beta Kappa recognizes outstanding scholarship in the liberal arts and sciences. Election is usually limited to the top 12 percent of the senior class. All candidates must have demonstrated a knowledge of mathematics and of a foreign language at least minimally appropriate for a liberal education.

## THE COMMENCEMENT SETTING

Our Commencement setting is in the field house in the 175,000-square foot Leonard Center athletics and wellness complex, built in 2008. The field house can accommodate multiple sports practicing at the same time and hosts indoor track events, as well as large campus events. On the Commencement stage sits a lectern that was created in 2017 by Conrad Adelman, a carpenter from Facilities Services, using recycled wood from one of the college's yellow locust trees.

## ACADEMIC DRESS AND CUSTOMS

Academic dress stems from the Middle Ages, when scholars were also clerics and wore the costume of the monastic order. The hood was originally a cowl attached to the gown; it could be slipped over the head for warmth. The cap, originally round, later became a square mortarboard.

On appropriate occasions, anyone with a college or university degree may wear academic dress. By observing the style of each costume, one often may identify the university, the degree held, and the field of major interest.

The long, pointed sleeve of the gown indicates a bachelor's degree, the closed sleeve with a slit near the upper part of the arm indicates a master's degree. Bachelor's and master's gowns are black and have no trim.

The doctor's gown is usually black, but some universities prescribe other colors. All doctors' gowns have velvet trim on the front facings and crossbars on the sleeves. This trim may be black, or may match the edging of the hood.

The color of the velvet edging on the hood indicates the field in which the degree was granted. It should be noted that the doctoral degree often earned is the PhD, or doctor of philosophy, in a given subject. The academic costume then displays the color of philosophy, dark blue, rather than the color of the specific subject.

The colors associated with specific subjects are as follows:

Agriculture, *Maize*  
Arts, Letters, Humanities, *White*  
Commerce, Accountancy, Business, *Drab*  
Dentistry, *Lilac*  
Economics, *Copper*

## ABOUT THE COLLEGE SEAL

The seal of Macalester College, which appears on diplomas, was devised by Macalester's founder, the Rev. Edward Duffield Neill. In a sermon preached before the Presbyterian Synod of Minnesota in September 1873, he explained its significance:

"On the corporate seal of the institution are engraved two female figures, one in classic drapery, telescope in hand and compass at the feet, representing Science investigating the laws of Nature; the other in sitting posture and modern dress holding open the word of God, representing Revelation. They are in friendly converse, the twin sisters of Heaven, as the motto suggests, 'Natura et Revelatio, coeli gemini.' "

After the college became a synodical institution, the Trustees adopted the seal on October 19, 1881.
