On Wednesday, September 25, a student was typing on her laptop at a Caribou Coffee shop when a man came in the back entrance of the store, snatched the laptop by its screen, and ran out the back entrance through the back parking lot and disappeared. The police were called and a report was taken. **This is the third incident of this kind reported in recent weeks in coffee shops in the Macalester-Groveland neighborhood.**

The suspect was reported to be about 6 feet tall, black skinned, large build, broad-shouldered, and wearing blue jeans, black hoodie, black blazer (suit jacket), and navy blue beanie hat.

Macalester Security recommends that if you are the victim of any crime you should immediately contact Macalester Security at **651-696-6555** or the St. Paul Police at 911 for assistance.

- Please aware of your surroundings and do not leave your valuables unattended.
- Back up your computer data and music.
- Inventory your valuables at Macalester Security web page: Personal Inventory Template.
- Mark up your computer to make it more identifiable.
