### Questions about benefits?

We can help. Call Member Services at **952-883-5000** or **800-883-2177**.

### Virtuwell® (online questionnaire)

- **Easy.** 99% of Virtuwell users say it's simple and 98% highly recommend it. Answer a few questions at **virtuwell.com** anytime, anywhere.\*
- **Fast.** In about one hour, get a treatment plan and prescription. Nurse practitioners treat more than 60 common conditions. You could save an average of 2.5 hours by using Virtuwell and avoiding in-person visits.
- **Guaranteed.** You're only charged if Virtuwell can treat you, plus unlimited follow-up calls about your treatment are free. If you need to come in person, we will let you know, but it's not usually needed.
- **Affordable.** A visit is \$59 or less. Use your member ID card to check your cost at **virtuwell.com/cost/healthpartners**.

### Doctor On Demand (video chat)

- **Convenient.** Get started when and where it works for you at **doctorondemand.com**. Video capabilities are required.
- **Quick.** See a doctor in minutes. Live video visits include assessment, diagnosis and prescriptions when necessary.
- **Affordable.** A visit to treat conditions like colds, the flu and allergies costs \$59 or less.\*\*

The next time you're sick, your health plan has affordable options to help you get better, faster.
