

# REAL SUPPORT FOR REAL LIFE

**Cigna Employee Assistance Program Presents:**

## Stress Relief: Train Your Brain

Psychological stressors are the modern day equivalent of a charging grizzly bear. When facing them, your body and brain fire up a hard-wired response system designed to keep you alive. The problem is, this response stops being helpful when it stays “on” all the time. Learn how you can train your brain to rewire your stress response. And try out techniques that can help you get there
