

REAL SUPPORT FOR REAL LIFE

Talking to Children About Death

Loss is part of life, but that doesn't make it easy to explain to a child. How do you approach this difficult topic? In this seminar, we'll help you find the words. We'll review the important points you'll want to cover and how a child's age impacts the conversation. Learn how children react and grieve and what you can do to help them cope when a death occurs.
