1. Approval of the minutes from February 28th. Done.
2. Review of summaries from the Faculty Meeting. Discussion of what we should do next. At next week's meeting we will put something together to send to the faculty.
3. Questions for the Music Department Review: We discussed the self-study for the purpose of adding questions for the reviewers.
4. Response to the Computer Science review: The group worked on the draft of the response to the department. Everyone should look at the letter and offer up their changes before Dan sends it out on Monday or Tuesday.
5. The committee morphed into Allocations (Kofi departed, Donna Maeda joined the group.)

Thus EPAG adjourned at 3:45.

Respectfully submitted,
