Percent of Non-Owner Occupied Housing Units, 2006 by Block Group
Students Eligible for Free Lunch and Rec. Center Participants

For 2006. Students receiving free lunch and Rec Center participant home locations are aggregated to Census Block Groups.

Percent of Students Eligible for Free Lunch and Rec. Center Enrollment*

Cartographer: EI Popuch; Data Sources: Saint Paul Public Schools, Saint Paul Parks and Rec, U.S. Census Block Group; ESRI; November 2008.
Food Insecurity* and Grocery Store Location

Food Insecurity Value

- High Food Insecurity
- Food Insecurity
- No Date
- Grocery Store

*Food Insecurity is defined by the USDA as being "a household level economic and social condition of limited or uncertain access to adequate food." Here it is calculated using a weighted average of demographic risk factors for food insecurity including % below the poverty level, % female head of household, and % minority.

Cartographer: Rebecca Orrick, Data Sources: Yellowpages.com and other online yellow page directories maintained by Info USA and Bell South, US Census 2000 by Block Groups, ESRI, December 2008
Percent of Saint Paul Public School Students by Block Group*

*Percent by Block Group represents the percent of students in each block group out of the total number of St. Paul Public School students.

Cartographer: Laura Cullenward; Data Sources: Saint Paul Public Schools, ESRI, Saint Paul Parks and Recreation, US Census Block Groups; December 2008.
