

Macalester Geology Honors Thesis Research Mentor Approval Form

For Data Use & Mentorship

Student Name:

Thesis Title (Working):

Academic Year:

The purpose of this form is to confirm the agreement of an external (non-Macalester) research mentor to:

1. **Approve the use of data** collected in their laboratory for inclusion in the above-named student's undergraduate Honors thesis, and
2. **Serve as the primary research mentor** for the duration of the student's year-long senior Honors thesis research project.

By signing below, the research mentor affirms that:

- They grant the student permission to use data collected under their supervision for academic purposes, including as part of an undergraduate thesis, which will include a public presentation to the Macalester College Geology Department.
- They are willing to provide ongoing mentorship and oversight of the student's research throughout the thesis period (typically one academic year).
- They will coordinate with the student's on-campus Honors thesis advisor as needed regarding thesis requirements, deadlines, and progress.
