

Identity-Specific Community Sexual Violence Resources:

Navigating support services can be a daunting task, especially when seeking resources that align with one's specific identity and needs. This growing list is designed to connect the Macalester campus community with identity-specific support services in our local area. If there is a resource you are aware of not yet added to this list, please submit it to [this form](#), or contact Paige Olowu [polowu@macalester.edu].
