### **POSITION DESCRIPTION:**

Angie Craig's campaign for Congress is seeking campaign interns to help us build our organizing and political outreach programs in 2018. For those considering working in politics full-time, this is a great place to start! Our campaign interns work with our field organizers to support and grow our incredible grassroots volunteer team, and spread Angie's message to thousands of voters in every corner of the Second Congressional District. No campaign experience required; just a willingness to learn, an interest in campaigns, and a desire to flip CD2 blue. Field interns will learn the ins and outs of campaigns and will build the unique skill sets needed to grow a successful field program. There will be a leadership development component to this internship, and you can work with your supervisor to tailor your internship to your interest areas.
