

VSP Provider Search

Go to <https://www.vsp.com/choicewithaffiliates>

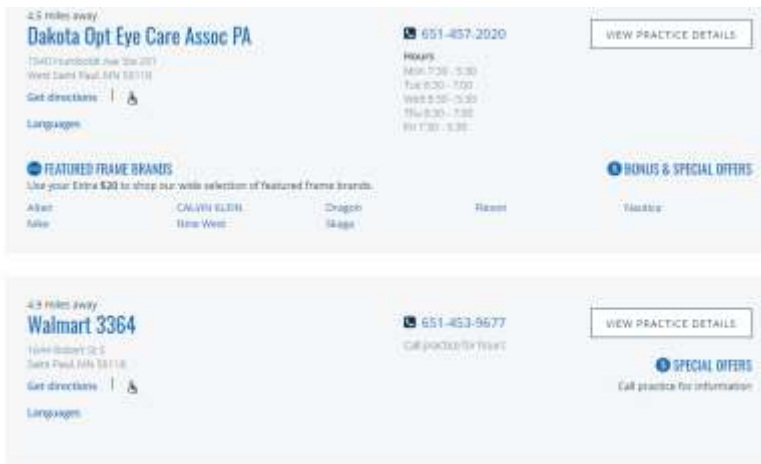

The screenshot shows the VSP Provider Search interface. At the top, there is a header with the VSP logo and a banner for "Our Doctor Network" featuring a smiling man with glasses. Below the banner, there are search filters for "LOCATION", "OFFICE", and "DOCTOR". A search bar contains fields for "Zip", "Street Address (optional)", "City", and "State". To the right of the search bar, the "ADVANCED SEARCH +" button is circled in red. Below the search bar, there is a section for "Find your VSP Network Doctor" with a "PREMIER PROGRAM" logo. This section includes text about the Premier Program, a "SEARCH" button, and checkboxes for "All Premier Program Locations", "Premier Private Practice", and "Premier Retail Chain Location".

Enter your zip code.

Do not check the boxes for Premier locations or practices.

If you want to search a certain mile radius, you can click on the Advanced Search circled in red, and you can adjust the miles number in your search.

The screenshot shows two search results for VSP providers. The first result is for "Dakota Opt Eye Care Assoc PA", located 4.5 miles away. It includes the address "15401 Ironwood Ave Ste 201, West Zandt, MN 55118", phone number "651-457-2020", hours of operation, and a "VIEW PRACTICE DETAILS" button. Below the address, there are "FEATURED FRAME BRANDS" (Alber, Nike, CALVIN KLEIN, Nike West, Dragon, Skeggs, Hanes) and "BONUS & SPECIAL OFFERS". The second result is for "Walmart 3364", also 4.5 miles away, with address "1444 Robert St S, Zandt, MN 55118", phone number "651-453-9677", and a "VIEW PRACTICE DETAILS" button. Below the address, there is a "SPECIAL OFFERS" section with the text "Call practice for information".

Checking the Premier provider boxes on the provider search webpage is going to provide you with the smaller clinics and private practices in the VSP network.
