

Chard Snyder helps you get the most out of your FSA benefit.

Am I Eligible for an FSA?

To maximize savings, you can enroll in a dependent care FSA and a health FSA. If you are contributing to a Health Savings Account (HSA), you are not eligible for a health FSA but can enroll in a dependent care FSA.

How Do I Access My FSA Funds?

The Chard Snyder Benefits Card provides an easy, convenient way to use your FSA funds to pay for eligible items and services. It works just like a debit card, but utilizes smart technology so it can only be used to pay for expenses that are eligible according to IRS guidelines under the FSA plan.

The Chard Snyder Benefits Card eliminates the need to pay out-of-pocket, submit a claim, or wait for reimbursement. Simply swipe the card at your healthcare provider's office, pharmacy, store, or use online, and the funds are automatically deducted from your health FSA. Plan restrictions may apply to your dependent care account, and some providers may not accept the benefits card.

You can also file a claim on the Chard Snyder Mobile App or your online account.

The Chard Snyder Benefits Card

- Convenient way to pay for eligible expenses directly from your FSA
- Works like a debit card
- Connect with your mobile wallet for contactless payments
- Save your receipts

You may use your card until the expiration date shown on the front. You will receive new cards just before your current card expires.

Why Do I Need to Save My Receipts?

The IRS requires Chard Snyder to confirm that you used FSA funds for an eligible service or purchase. You may be asked for copies of itemized receipts, statements, or Explanation of Benefits (EOB) from doctors' and dentists' offices, hospitals, and stores that do not automatically verify eligible expenses.

Just take a picture of the itemized receipt with your smart phone and submit it using the Chard Snyder Mobile App or your online account. It's that easy!

Once you provide the requested information for a transaction that is not immediately recognized as eligible, the transaction in question is normally verified quickly. *(If you do not provide the requested documentation in a timely manner, your card may be turned off.)*
