

The Chard Snyder Health FSA

What is a Flexible Spending Account?

A Flexible Spending Account (FSA) can help you save money for healthcare items and services for yourself and your family. FSA funds are deducted from your paycheck before taxes, so the money deposited into the account is **tax free** which **saves you money**.

You may save **up to 40%** on your healthcare costs.

What is a Health FSA?

A **health FSA** can be used for eligible medical expenses such as copays, coinsurance, deductibles, dental, vision, prescriptions, medical supplies, and procedures. Even over-the-counter medications and menstrual care products are eligible expenses.

Am I Eligible for a Health FSA?

If your employer offers a health FSA, you may enroll unless you are enrolled in and contributing to a Health Savings Account (HSA).

How Do I Access My Healthcare FSA Funds?

The Chard Snyder Benefits Card provides an easy, convenient way to use your health FSA funds to pay for eligible items and services. It works just like a debit card, but utilizes smart technology so it can only be used to pay for expenses that are eligible according to IRS guidelines under the plan.

The Chard Snyder Benefits Card eliminates the need to pay out-of-pocket, submit a claim, or wait for reimbursement. Simply swipe the card at your healthcare provider's office, pharmacy, store, or use online, and the funds are automatically deducted from your health FSA.

You can also file a claim on the Chard Snyder Mobile App or your online account.

The Chard Snyder Benefits Card

- Convenient way to pay for eligible expenses directly from your FSA
- Works like a debit card
- Connect with your mobile wallet for contactless payments
- Save your receipts

You may use your card until the expiration date shown on the front. You will receive new cards just before your current card expires.

Why Do I Need to Save My Receipts?

The IRS requires Chard Snyder to confirm that you used health FSA funds for an eligible service or purchase. You may be asked for copies of itemized receipts, statements, or Explanation of Benefits (EOB) from doctors' and dentists' offices, hospitals, and stores that do not automatically verify eligible expenses.

Just take a picture of the itemized receipt with your smart phone and submit it using the Chard Snyder Mobile App or your online account. It's that easy!

Once you provide the requested information for a transaction that is not immediately recognized as eligible, the transaction in question is normally verified quickly. *(If you do not provide the requested documentation in a timely manner, your card may be turned off.)*
