Off-Campus Collaborators Form
To be completed when Macalester researchers are collaborating with researchers from off-campus

Contact information
- Identify the main Macalester contact person for this project. A Macalester staff or faculty member must be the primary researcher or sponsor for projects conducted by or with off-campus persons.
- List the names of any persons from off-campus who are or will be involved in this project, as well as their home college or organization.

Research responsibilities and roles
- Please explain the relationship of the off-campus person or persons to this project.

Data sharing
- How will the data be shared with or accessed by these off-campus persons?
- How will you assure that your subjects’ anonymity and/or confidentiality will be maintained by your off-campus partners?
- How will you assure that your off-campus partners will not share your data with other persons?
