Beginning in fall 2010, Hispanic students are counted as Hispanic, regardless of any race identifications they make. Non-Hispanic students who identify with more than one race are counted in the two or more races category.

\*Starting fall 2017, students are able to self-report 'nonbinary' as their official institutionally-recognized gender.

The number of U.S. students of color who attend  
Macalester has risen 61% since 2011.

## STUDENTS OF COLOR, continued

### NUMBER OF U.S. STUDENTS OF COLOR BY EACH OF THE RACE/ETHNIC HERITAGES THEY SELF-IDENTIFY

Many Macalester students of color identify with more than one race/ethnic category. This table recognizes students of color in EACH of the race/ethnic categories (other than white) with which they self-identify. As a result, this table double or triple counts students who identify with more than one of the nonwhite race/ethnic categories used by the U.S. Census.
