

Macalester College - Hamre Center for Health & Wellness Charges 2023-24

When you are seen in the Hamre Center you will not be charged for an office visit. You will be charged for prescription medications, lab/blood work, vaccinations, physical exams and simple procedures. If you are enrolled in the United HealthCare StudentResources Plan, these charges will be submitted for you as they are covered at 100%. If you have other health insurance, these charges will be billed to your student account. An itemized statement will be sent to you or your parents to submit to your insurance company for reimbursement.
