**Event Overview (What's Happening) \***

We will celebrate Korean New Years by teaching students about the holiday and the significance of the food we eat and games we play and spreading awareness about Korean culture. We will also have a movie showing that deals with political issues relevant today.

## Purpose of the Event (Why is it important to you and the Macalester Community) \*

This is one of the biggest holidays in South Korea, and as a Korean cultural organization, we feel it is important to share this valuable experience to the Macalester community, embracing the ideas of inclusion.

---

## Goal(s) of the Event \*

Raise awareness of Korean culture by presenting ideas that are new and inclusive  
Provide a fresh start to the semester with an event that embodies a new beginning  
To inform the student population of the complexities of Korean politics and how it evolved over the years

---

## What outcomes does this Event hope to meet? You must select two. \*

- Present ideas that are new, challenging, or inclusive
- Collaborate with others to build relationships and community across difference
- Represent a need of the Macalester, Twin Cities, or Global Community
- Create space for unheard voices and ideas to be expressed and reflected upon

## How does your event meet the selected outcomes? \*

Raise awareness of Korean culture by presenting ideas that are new and inclusive  
Provide a fresh start to the semester with an event that embodies a new beginning  
To inform the student population of the complexities of Korean politics and how it evolved over the years

---
