

ALL GENDER RESTROOMS

ARE FOR EVERYONE!

Oftentimes, because of how transphobia affects how people perceive and enforce gender, some people aren't allowed to use the restroom. Because of this, one of the places where gender oppression commonly happens is in bathrooms.

There are real impacts when bathrooms are labeled for women or men only. For some transgender and/or gender non-conforming people, the use of public restrooms can come with emotional and physical harassment, deep discomfort, risk of arrest for being in the "wrong" bathroom, or even physical violence and death.

As a step toward being an inclusive campus community, you will find restrooms in every building designated for use by all genders. Regardless of which bathrooms (gendered or not) someone chooses to use...

PLEASE TRUST THAT EACH INDIVIDUAL KNOWS WHICH RESTROOM IS MOST COMFORTABLE AND APPROPRIATE FOR THEM!

YOUR VOICE.
