

**MACALESTER**

**SUMMER 2021 INDEPENDENT PROJECT  
REGISTRATION FORM**

Students intending to complete an independent project must submit this form by the published registration deadline. The student and the faculty sponsor should work together to plan all aspects of the course, including: work to be completed, timeline, learning goals, and basis for evaluation. **Effective Summer 2021: All coursework should be completed on-line or via remote instruction, where possible.** Projects that do not result in a significant product should be evaluated using S/SD/N grading.

**This completed registration form must be returned to the Registrar's Office by May 25, 2021**
