RUSS 194
The Material World and Why It Matters
Evaluation Form
Professor Chadaga

Please answer the following questions, allowing about ten minutes for the entire form. I will review your responses anonymously at the end of the term. Thank you for your feedback!

1. Briefly, what did you think of the course?

2. What went well for your learning in this course?

3. What did not go well for your learning in this course?

4. Please comment on the qualities that your professor brings to the class as a teacher (e.g., presentation, classroom dynamics, organization, teaching style, accessibility, etc.) and scholar.

5. Please comment on course structure and design (e.g. syllabus; clarity of expectations, evaluation and assignments; workload, etc.).

6. Last question: how would you change this course when taught again by this professor?
