Center for Study Away
Online Advisor Confirmation Form

Please complete this questionnaire after having a conversation with your advisee about their study away plans. We encourage students to share their "Study Away Coursework & Graduation Requirements" questionnaire with you to help inform this discussion. Email the Center for Study Away with any questions (studyaway@macalester.edu).

(*) Indicates the question is required.

1. Meeting with advisee (*)
Have you had a conversation with your advisee about their study away plans (program and intended coursework) and graduation requirements?
If no, please explain.

2. Curricular fit of study away program (*)
Do you consider this study away plan to be a good curricular fit with your advisee's educational trajectory?
If no, please explain.

3. Directed research project (*)
Some study away programs provide opportunities for students to conduct research. Have you discussed any directed research projects that your advisee plans to undertake as part of the proposed program? (Please note that lack of plans to conduct research will not hurt a student's application to study away).
If yes, please comment on the appropriateness of the proposed research topic and the preparedness of the student to conduct independent research.

4. Support of the student's study away plan (*)
Please rate your level of support for this student’s plan to study away with one being "strong support" to five being "strong reservations" You may add any comments in your response to question 5.

5. Advisor Comments
Is there anything else you would like to share with the Center for Study Away and the Study Away Review Committee about this student? This is an opportunity to share any comments or concerns with the Study Away Review Committee that have not already been addressed, but should not be considered a reference on behalf of the student.
